LES MÉDITERRANÉES

CAMPINGS VILLAGES & SPA

Our beaches, Your dreams.

Editorial

On the edge of the beach, right on the waterfront, with the blue waters of the Mediterranean stretching as far as the eye can see. More than just a campsite, Les Méditerranées is made up of 3 upmarket camping-villages: the Charlemagne, the Nouvelle Floride and the Beach Garden, each providing its own individual atmosphere. Both parents and children will get caught up in the unique “Les Méditerranées” experience, which offers so much to enjoy. Sometimes, it feels as though time has stopped to allow you to savour the present moment: the gentle sound of the waves breaking gently on the beach, lazing in the shade of tall trees, the turquoise waters of the sun-drenched swimming pools... Les Méditerranées has all the ingredients to make your holidays just perfect.

Holidays with a view over the sea.

The campsite has direct access to the long sandy beach, where you can relax in the sun or dip in the sea to your heart's content. The smell of the salty sea breeze, the soft warm sand and the sound of the waves, this is the Mediterranean coast at its best.

**Sweet,
savoury, and sunny.**

**A cocktail of fun
and conviviality.**

Breakfast in the morning sun, a relaxing aperitif with your toes dipping in the water, and a colourful cocktail in front of the music and entertainment stage; there are so many different places and things to enjoy, whatever the time of day; all these little moments of pleasure will leave you with unforgettable holiday memories to share.

For my first meal, I went for the platter of regional specialities; for the second, I had tapas by the pool, and for the third, I enjoyed fresh market produce in the shady patio. And there's plenty more to choose from in the three restaurants, each with their own specific menus and atmospheres, so each meal is a moment of pure pleasure and enjoyment.

What you want, when you want.

There is a host of activities to choose from, so you can always find just the right one for you: aqua-Zumba sessions, beach volley-ball matches, Pilates sessions, an introduction to pole dancing, a foam party, bubble football, and more.

There is something for everyone, and you can do things at your own pace! You will enjoy moments of laughter, dancing, fun, and wonder at the thematic evenings, shows and events organised on the stages at the Beach Garden and Nouvelle Floride.

The fun and laughter never stop.

Run, laugh, shout, keep active and have fun: there are 2 kids' clubs managed by professional supervisors.

The programmes include excursions, original activities and just plenty of fun and laughter.

We can look after your children for the whole day*, so you can have fun while they enjoy themselves with friends!

Holidays are great, but they're even better when you're with friends:

2 teen clubs for excursions, meeting people and making new friends.

*Only on Wednesday in July and August
